

**Full Time Hydraulic Fitter
West Moors, Dorset**

Rotec's sister company Ram Reman are seeking candidates for their Fitting shop. Become part of our team and work on unique projects for a variety of industries, from repairing hydraulic cylinders for cruise liners to building gigantic moving props for theatre companies.

Formed over 30 years ago, Ram Reman has a wealth of knowledge and experience making it a leader in hydraulics across the south coast. Our belief is that our business is only as good as the people we employ, which is why we ensure that all of our staff are continually trained to maintain the highest standards.

Job description:

Hydraulic knowledge is a must, with the ability to strip, fault find and assemble Hydraulic cylinders and other hydraulic equipment.

If you are looking for a new challenge and would like to join our team please contact tony@ramreman.co.uk
